1. All students must complete a minimum of 3 courses for 6 credits.
2. All students must fulfill 85% attendance for each registered course, i.e.

General Participation

ATW regulations stipulate the following requirements regarding program participation.

1. ATW students, in principle, must attend from the opening ceremony on the first day of the program through to the closing ceremony on the last day of the program.
2. When absence is unavoidable due to unforeseen illness or accident, the student must inform the ATW Office of his/her absence before the concerned class starts. (The ATW Office will forward the student's absence to the program coordinator, Prof Okazaki.)
3. ATW will NOT approve any absence for reasons other than unforeseen illness or accident. If a student is absent from a class for other reasons, the ATW Committee will not authorize the student's completion of the Program.
4. If a student does not fulfill the required 85% attendance for any of the registered courses, the ATW Committee will not approve the student's completion of the Program.
5. Each ATW and JLC course supervisor will keep a record of student attendance for every class and report the state of attendance to the ATW Office after class. ATW students who do not meet the ATW Regulations for Participation are subject to dismissal from the program.
6. All fees paid by a dismissed student will not be refunded.
7. ATW scholarship recipients who do not meet the ATW Regulations for Participation might be asked to return the scholarship fund to Kyushu University.
