

Toward a Bilingual Environment at Kyushu University

Faculty Development in English presented by
SHARE-Q International Advisory Group (SIAG)

Lang.
EN & JP

Zoom
Webinar

Significant progress has been made at Kyushu University with respect to bilingual (Japanese-English) communication, in emails, web pages, and official documents and forms, powered by automatic translation tools (e.g., DeepL). However, the progress is uneven and unsystematic across the University.

In this FD in English, we exchange ideas and share good practices for bilingual communication at Kyushu University, particularly in administrative matters.

Coordinator

Prof. Johan Lauwereyns
Faculty of Arts and Science

Date

**Tuesday,
31st May
12:10 - 13:00**
