

Scholarship No.	Name of Scholarship	Question	Answer
1	KDDI財団法人留学生助成金/KDDI Foundation Scholarship	Is it OK to fill out the application documents to the KDDI Foundation Scholarship "in English" after passing the on-campus selection process?	Yes, you can fill out in English.
		If I am a third-year doctoral student and am selected by KDDI Foundation Scholarship, and if graduation cannot be completed within the standard term of study due to retention or other reasons, what measures are to be taken? Will I be required to make refunds, etc.?	For applicants who is a third-year doctoral student, they have been recommended on the condition that the applicant's supervising professor has determined that he/she can (or will) obtain a degree. No refund of scholarship funds will be requested even if the applicant does not complete his/her degree as a result. *In the past, there have been no cases of students who were unable to complete their degrees.
		I am a third-year doctoral student from overseas. Originally, the program was to be completed in September 2022. However, due to the COVID-19, the research has not progressed and I am planning to apply for the extension of my enrollment for one year. The application guidelines state that "those who plan to be enrolled in a doctoral program for three years at the start of the grant (April 2023) are required to obtain a degree. if I am able to complete the degree by the extended completion date (September 2023), can I apply for the scholarship?	Please ask your supervisor to state the reason for the delay and your expectation of completing the degree next year in the "Supervisor Recommendation Form" on the application form, and then apply for the scholarship.
		Can I fill out the application form in English?	Yes, it is possible to fill out the application form in English.
		I am not enrolled at the Kyushu University at the time of application. Can I still apply for the scholarship?	No, you cannot apply.
2	ロータリー米山記念奨学会奨学金/Rotary Yoneyama Memorial Foundation Scholarship	In District 2700, how many times a year are supervisors invited to attend orientation and other events?	The invitations for the event for supervisors are provided twice a year: the April Orientation and the March Exit Ceremony.
		Is it mandatory for supervisor to attend the April orientation?	As a rule, the orientation in April is attended by the supervisor. If they are unable to attend the meeting, it is required that a proxy attend the meeting. This is to ensure that they understand the purpose of the scholarship, to confirm the scholar's attendance at required events, to confirm restricted items, to confirm required documents, and to share various information with the counselor.
		I am using kanji characters in my name that are not in the Japanese language. How should I fill in the application form?	If there is a Japanese Kanji character that can be substituted, please fill in that Kanji character with the understanding that it will be used. If it is difficult to do so, it will be required to fill in the form by replacing the kanji with kana, as in the university's registration data, after verifying your identity.

Q&A List

Scholarship No.	Name of Scholarship	Question	Answer
		I am outside Japan at the time of my scholarship application. Can I still apply?	Although it is possible to apply, if a student who is outside Japan applies but cannot have an interview in Japan, he/she will be "ineligible". Interviews are scheduled from December to January of the following year, although the dates vary by district.
		My supervisor is in the hospital, so I will ask my homeroom teacher to write a letter of recommendation, and my supervisor will attend the orientation. Is it okay if the teacher who wrote the letter of recommendation and the orientation teacher are different?	Yes, it can be different. It is OK that the orientation be conducted by a substitute teacher, not by the supervisor. Therefore, the recommendation teacher and the orientation teacher can be different.
		I do not have original transcripts from my pre-enrollment university, is that OK?	Yes, a copy is fine.
		Is the interview in Japanese?	As a rule, interviews will be conducted in Japanese only, but applicants who have difficulty speaking Japanese are also acceptable.
		I am currently receiving another scholarship A. Can I apply for Rotary's application of which the scholarship receiving will start next year?	In this case, it is available for application. This is because another scholarship, Scholarship A, is available for the current fiscal year only (April 2023-March 2024) and does not overlap with Rotary's award period for the next fiscal year.
		The faculty member at my current university with whom I am completing the recommendation form is different from my academic supervisor after enrollment at the University. Is it acceptable?	It is acceptable if the faculty member who filled out the recommendation form is different from the faculty member who will be your academic supervisor after admission (In the web registration after selection, there is a section to enter the faculty member who will be your academic supervisor after admission).
		I am an exchange student, can I still apply?	Although your applications are accepted, attendance at the interview, orientation, and social event is mandatory, making it difficult to select students who are deemed unable to attend.
		Can I receive the scholarship together with other scholarships?	The scholarship cannot be combined with other scholarships.
		There is a section to list "Leave of Absence" in the "Biographical Data(Keirekisyo/経歴書)". Does this need to be included for the period of time where I was enrolled in a previous undergraduate program?	"Please list the periods of leave of absence (and years of study) for the course of study at the school in which you were enrolled in the year in which you began receiving the scholarship." Therefore, it was not necessary to fill in the leave of absence (and retention years) during the period of enrollment in the undergraduate school.
		I am a Master's student enrolling in April 2023 and am applying for a full year tuition waiver at the time of admission. How should I fill out the annual tuition and my own expense?	Please enter the full amount of annual tuition. For the amount of your own expense, enter the total of the amount already paid for the first semester and half of the undetermined annual tuition for the second semester.

Q&A List

Scholarship No.	Name of Scholarship	Question	Answer
		I have the original application form in my possession, how long should I keep it in my possession?	Please keep it until the results are known.
		What is the content of the written test?	Find out about Rotary clubs through their websites, etc.
		Does my Japanese language ability affect my selection in the written examination?	No, it does not.
		In the written test, since I have some difficulty writing Kanji characters, can I write in Hiragana? Or, can I bring an electronic dictionary?	It is okay to fill in hiragana.
3	CWAJ(カレッジ・ウイメンズ・アソシエーション・オブ・ジャパン) 外国人留学生大学院女子奨学金 (直接応募) /CWAJ(College Women's Association of Japan) Graduate Scholarship for Non-Japanese Women to Study in Japan Scholarship (Direct Application)		
4	日本台湾交流協会日本奨学金 (直接応募) /Japan-Taiwan Exchange Association Scholarship (Direct Application)	Can graduate students who are studying at Kyushu University under the double degree program from a university in Taiwan also apply?	For double-degree students, the same arrangements apply as for Japanese Government (Monbukagakusho/MEXT) Scholarship students. Scholarships are available, but scholarships and tuition fees cannot be provided while studying or researching at a university abroad. (The proxy seal system is also a no-no.)
5	本庄国際奨学財団 (春採用) (直接応募) /Honjo International Scholarship Foundation(Spring Scholarship) (Direct Application)		
6	平和中島財団奨学金/Heiwa NAKAJIMA Foundation Scholarship	If I am a research student at the time of application, can I still apply if I plan to be enrolled as a regular student when the scholarship begins?	Yes, it is possible.
		Is it possible for someone who will graduate in September 2023 and will only have 6 months to receive the scholarship to apply?	Yes, it is possible.
		If I complete my graduation six months after receiving the scholarship and continue on to an advanced program at the Kyushu University, will I still be eligible to receive the remaining six months of the scholarship?	Yes, it is possible if you do the the right procedures.
		For international students in the doctoral program, we will submit the master's and undergraduate transcripts, but if the master's and undergraduate transcripts are from a foreign university, is it acceptable to submit transcripts in the native language only? For a Chinese university transcript, is it acceptable to submit a transcript in Chinese only?	If the transcript is in Chinese, please submit it as is. If it is not in Chinese or English, please attach a translation. It does not have to be an official one. The translations should be prepared by the applicant.

Scholarship No.	Name of Scholarship	Question	Answer
		If I am an undergraduate student, the application must be "from the last school attended in my home country." If I dropped out of high school and have a high school diploma, what kind of transcripts should I submit?	If you are a high school dropout, please submit a copy of your high school diploma.
		Can a student who is applying for a JSPS Fellowship, the results of which will be known in February or March 2024, apply for the Foundation's scholarship for the year 2024?	No, you cannot apply for the program because you cannot apply for both scholarship programs.
		It is difficult for me to fill in all of the information on (1) "Family Situation" in the "Personal Information Form(Shinjyo-sho/身上書)" because I have a lot of family members. How much should I fill in?	Parents in the home country, spouse and children living together are sufficient (brothers and sisters do not need to fill in this form).
		The motivation for studying abroad in the ["Personal Information Form(Shinjyo-sho/身上書)"] extends beyond the columns.(Not easy to fill in Japanese).May I fill out a separate sheet of paper?	Since it must be contained in one personal statement, it is not possible to fill in a separate sheet. If it is written by the applicant, it can be written outside the column.
		Can students who plan to study abroad during the grant period apply?	Applicants may apply even if they plan to study abroad and are eligible for scholarship funding until the start of their studies abroad.
7	伊藤国際教育交流財団奨学金 (直接応募) /ITO International Education Exchange Foundation		
8	似鳥国際奨学財団(上期) (直接応募) /NITORI International Scholarship Foundation (Direct Application)		
9	大塚敏美育英奨学財団 ※大学推薦/Otsuka Toshimi Scholarship Foundation(University Recommendation)	May I use correction fluid to correct errors in my application?	As long as the copy is not difficult to read, it is fine. If possible, please double-line the incorrect area and fill in the correction in the blank space nearby.
		If the faculty member who is undertaking the research guidance of the nominee is an associate professor (not a professor), is it correct to have the form completed and signed by an associate professor (not a professor)?	Yes, if your advisor is an associate professor, there is no problem in having the associate professor write a letter of recommendation.
		Due to the new coronavirus, I have taken a year of online classes and a six-month leave of absence, making it difficult for me to graduate in the standard academic year. Can I apply?	Students who delay completion of their degree beyond the six-month leave of absence will lose their scholarship status and may be required to refund the scholarship funds. Please consult with your supervisor before applying to see if you expect to be able to complete the program within the term of study, taking into account the time required to review your thesis.

Q&A List

Scholarship No.	Name of Scholarship	Question	Answer
10	日中友好協会 アリアケジャパン奨学金 (旧・丹羽宇一郎奨学金) (直接応募)/JAPAN-CHINA FRIENDSHIP ASSOCIATION ARIAKE JAPAN Scholarship(Formerly known as: NIWA UICHIROU Scholarship) (Direct Application)		
11	川嶋章司記念スカラーシップ基金/KAWASHIMA SHOJI Memorial Scholarship Fund	Is the mathematics department also included in the natural sciences?	Yes, the mathematics department is also included in the natural sciences (you can apply for the scholarship).
		If I am selected for a university recommendation, do I have to fill out the application form to be submitted to the Foundation in Japanese?	Yes, the application documents to be submitted to the Foundation must be written in person and in Japanese. Incidentally, it also includes three 800-word essays.
		I missed the opportunity to have a medical checkup at the University and had a previous checkup at a private hospital within the fiscal year. I tried to take the medical checkup at the hospital again this time, but the hospital replied that only a copy of the medical checkup result can be issued. Is it possible to submit a copy of the medical certificate?	Copies of health certificates is acceptable. <ul style="list-style-type: none"> <li>· If the copy includes a statement to the effect that it is "identical to the original," please submit it as is.</li> <li>· If there is no statement to the effect that the document "does not differ from the original," the university will write "does not differ from the original" on the photocopy and submit it with its name and seal (the seal of the International Student Exchange Division is acceptable).</li> </ul>
		Can I apply from a medical school?	Yes, you can apply.
		Are international students who are studying environmental fluid systems in the Fluid Environment of Earth and Environmental Science and Engineering in the Interdisciplinary Graduate School of Engineering Sciences eligible to apply?	Yes, you can apply for this program because it falls under the natural sciences.
12	イノアック国際教育振興財団奨学金 (直接応募)/INOAC International Education and Scholarship Foundation (Direct Application)	I am currently enrolled at Kyushu University as a research student. Can I apply for the scholarship if I will be a regular student from April of the year of application?	A letter of recommendation from the University is required to apply. If the Kyushu University is able to issue a letter of recommendation for the applicant, the application may be submitted.
13	田坂育英基金/TASAKA Scholarship	Are interviews for those who pass the document screening process conducted in Japanese?	Yes, it is in Japanese.
		Can applicants who will graduate in September of the hiring year apply?	No, you cannot apply.
		If I am recommended for a university, do I have to fill out the application form in Japanese?	Yes, please fill in the form in Japanese and in writing by yourself.
		If selected, how will the scholarship be paid?	You must visit the Fund Office (Kitakyushu City) on the designated date each month to receive your scholarship.
		Can a student whobrought family members apply?	No, you cannot apply. Applicants must be coming to Japan alone.

Scholarship No.	Name of Scholarship	Question	Answer
		I plan to move in the near future, when should I fill out my current address?	The address at the time of application is acceptable. Please let us know if you are far away from Kitakyushu, as you need to visit Kitakyushu once a month. Please let us know if you will be returning to China or other countries to take classes online.
		Which date should I enter in the "Date of arrival in Japan" section of the application form?	Please write the date of admission when you first arrived in Japan.
		How should I fill out the "Location of High School or University" section of the application form?	Please provide the name of the country, prefecture and city.
		I did not have a specific high school major or college (undergraduate) major on my application form. How do I fill out the form in that case?	For "Major," leave blank if you do not have a high school major, or leave blank if you do not have a college (undergraduate) major.
		Regarding work history on the application form, may I list work history during my military service?	Yes, please enter your employment history during your military service in the "Employment History" section.
		How should I describe the tuition on the application form if there is no tuition paid for the current year? By the way, I have not paid it because I am on a leave of absence.	Enter 0 yen in the "Tuition" column. Please enter "I have not paid due to leave of absence" in the "⑥ Other" column.
		On the application form, "How did you pay tuition for the second semester of the previous year?" refers to the second semester of which academic year?	This is the second semester of the fiscal year prior to the fiscal year in which you are completing the application. For example, if you are completing a FY2023 application in FY2022, this would be the second semester of FY2021.
		I have a half waiver for the first semester and am applying for the second semester for this year's tuition payment. How should I fill out the form?	Enter the total of the estimated amount of the second semester tuition fee waiver application and the amount of the previous semester's payment, divided by 12 (rounded down to the nearest whole number). Also, in the space provided, please write "Estimated amount of tuition fee as I am applying for a second semester waiver".
		What level of Japanese is required for the interview?	(Listening) Ability to understand at least 90% of what a native Japanese speaker says. (Speaking) Native Japanese speakers should be able to understand 80% to 90% of the content of what you say. After the grant, a monthly social gathering is held for the scholarship recipients, and the language for this gathering is Japanese.
14	JEES・豊田通商留学生奨学金 /JEES・TOYOTA TSUSHO Scholarship	The results of the tuition waiver for the second semester of the 2023 academic year for international students who enrolled in October 2023 are not known at this time. In this case, how should we enter the tuition waiver amount for the 2024 academic year?	If the result of the tuition waiver is not known, in the "⑦ Tuition and Fees" column of the "Applicant's Financial Situation" section of the application form, please enter the total amount of tuition and fees per month, assuming that you do not receive a tuition and fees waiver. Please leave the column "⑧ (of ⑦) Amount of Tuition Exemption" blank. In addition, please indicate in the "Special Notes" column of the "Letter of Recommendation (Form 2)" that you are applying for a tuition waiver and have not yet received the results.

Q&A List

Scholarship No.	Name of Scholarship	Question	Answer
15	生命保険協会留学生奨学金（セイホスカラージップ）/SEIHO Scholarship	Can international students currently in the first year of a master's course who were admitted in October 2022 apply for the 2023 academic year?	Yes,the application is possible.
		I enrolled in a bachelor's program in April xxxx and originally scheduled to graduate in March xxxx, but due to a 1.5 year leave of absence due to military service, my graduation date will be -March xxxx, 6 years after enrollment. Am I eligible to apply the scholarship if I am actually a 3rd year in a bachelor's program at the time of the application?	Yes,the application is possible.
		In the application guideline, "3. Qualifications", it says "Bachelor's degree: 3rd year".Kyushu University will advance students to the next grade even if they take a leave of absence, and if they exceed the standard length of study for the bachelor's program, their academic year will be in the status of four years. Accordingly, I will be in the fourth grade in April 2023. However, I am required to earn credits for the third year in 2023, so the year would be considered the third year. If this is the case, can I apply for my scholarship?	Yes,the application is possible. However, please provide additional information on the application form. [To be handled by the student]. Please write "4th year" in the application form/yearbook section.  [To be handled by the International Student Exchange Division]. Since the application requirements for this scholarship state "Bachelor's Program: 3rd year," an additional "Statement of Reason" must be submitted indicating why the applicant student's year of study should be the 4th year.(For FY2023, submitan additional "Statement of Reason" ).  For the statement of reasons, please prepare as follows Format: Any format Description: Please describe in detail the reason why the student's year of study will be 4 years, even though he/she will be in the third year, due to a leave of absence for military service. (Example of the reason: If the former student has taken a leave of absence from the University but has been promoted to a higher grade and has exceeded the standard term of study for a bachelor's degree, the student will be in the fourth year of his/her academic year. Therefore, the student concerned will have a grade of 4 years in April 2023.) *In 2023, a statement of reasons is submitted, but in 2024, a special note within the recommendation form is to be filled in.
		What should I do if I am unable to submit my transcripts for the year for which they are due due due to a leave of absence from school for military service?	[To be handled by the International Student Exchange Division] You do not have to submit transcripts, but you must submit a letter of reasons. The statement of reasons should indicate that the student is unable to submit transcripts for the specified period due to a leave of absence for military service.
		Can I apply even if I am not enrolled at the time of application? (My enrollment for April 2024 is decided.)	Yes,the application is possible.
Can students who are in a one-year program and will be completing their studies in September of the year of hire also apply?	Yes, you may apply. [To be handled by the International Student Exchange Division] Please indicate in the Special Notes section of the recommendation form that the standard term of study is one year.		

Scholarship No.	Name of Scholarship	Question	Answer
16	JEES・T.バナージインド留学生奨学金/JEES・T.Banaji India Scholarship	Is it possible to receive the grant together with the "Kyushu University SPRING program"?	Yes, it is possible. They do not fall under the "other benefit scholarships" mentioned in the application guidelines.
		Is it possible to receive this scholarship together with the Kyushu University Leading Human Resources Development Fellowship Program	Yes,the application is possible.
		Can international students who have not yet been admitted to the university for the fiscal year of the program at the time of application apply?	Applications will not be accepted if enrollment for the year of hire has not been finalized by the on-campus scholarship application deadline.
17	共立国際交流奨学財団 /KYORITSU International Foundation	Applicants who plan to enroll in April of the hiring year must submit an "admission letter(Nyuugaku kyokasyo/入学許可証)" (original or copy). May I submit a copy of the "Notification of examination result(Goukaku tuuchisyo/合格通知書)" instead of the admission letter?	A "Notification of examination result(Goukaku tuuchisyo/合格通知書)" is not acceptable. If a Letter of Acceptance cannot be issued, please submit an official document that proves your enrollment in place of the Letter of Acceptance. In doing so, please also state in the document that a "Letter of Admission" cannot be issued.
		In filling out application forms (1) through (3), I printed (1) and (2) on both sides of the sheet, can I still submit them?	No, they cannot be submitted. Application documents (1) through (3) must each be submitted on one sheet of single-sided A4 paper (3 sheets in total).
		I have just enrolled as a first-year undergraduate student and do not have a transcript from the University. I need to provide a transcript of my previous course of study. Is a high school transcript sufficient?	If your previous course of study was high school, please submit your high school transcript with a Japanese translation.
		What level of Japanese language proficiency is required?	Japanese language ability is not required.
		Are students from universities other than the Kyushu University who will be enrolled in the Kyushu University on the year of hire eligible to apply?	Since the application guideline states that "applicants must be enrolled or have completed the enrollment process by the application deadline," applicants who cannot complete the enrollment process by the application deadline are not eligible to apply.
18	岩谷国際留学生奨学助成（直接応募）/IWATANI International Student Fund (Direct Application)	What will be the duration of the award for students who have taken a year off for a doctoral program when the award begins in April 2023? (As an example, for a student enrolling in October 2021 and taking a one-year leave of absence immediately after enrollment)	The grant will begin in April 2023 and will be awarded for a maximum of two years, ending in March 2025. However, during this period, the student must complete his/her doctoral program or obtain his/her degree. If a student enrolls in October 2021 and takes a one-year leave of absence, the expected graduation date is September 2025. Therefore, if the student has not completed the doctoral program or received his/her degree by March 2025, he/she will be paid for two years.
19	橋谷奨学会/HASHIYA Scholarship Foundation		
20	佐藤陽国際奨学財団（春募集）/SATO YO International Scholarship Foundation (Spring Application)	If I am enrolled at another university at the time of application, do I have to have my supervisor at the university I am enrolled at at the time of application fill out a letter of recommendation?	Yes, you need to have a letter of recommendation completed from your supervisor at the university where you are enrolled at the time of application.
21	ロッテ財団/LOTTE Foundation	Which date should I enter for the JLPT acquisition date on my resume: (1) the date I took the test or (2) the date I passed the test (the date the JLPT was issued)?	(2) Please indicate the date you passed the test (the date the JLPT was issued).
		I am unable to submit a transcript of my current course of study because I just enrolled. Can I submit a transcript from my previous course of study?	Yes, please submit transcripts from previous courses.
		Is it acceptable to correct an entry error by drawing a double line?	Yes, filling in errors is fine by drawing a double line.

## Q&amp;A List

Scholarship No.	Name of Scholarship	Question	Answer
		Is it mandatory to participate in the scholarship socials, which are held about four times a year?	Yes, it is mandatory.
		Is it necessary to submit a certificate of enrollment for international students who will enroll in April of the year of employment?	No, only a "Notification of examination result(Goukaku tuuchisyo/合格通知書)" is required.
22	安田奨学財団/Yasuda Scholarship Foundation	The Foundation has prepared a "Frequently Asked Questions Q&A (in Japanese) for Recruitment."	
24	JEES・石橋財団奨学金(前期)/JEES Ishibashi Foundation Scholarship (Spring)	In the "Special Notes for Application(【Eligibilities】)" section, it says "Privately Financed International Students Applying from Abroad." Can international students currently residing in Japan (enrolled students) apply for the program?	Enrolled students are not eligible to apply, as the program is open to international students coming to Japan from overseas.
25	小林財団(一般奨学金)/Kobayashi Foundation	Can international students who are not in Japan as of April apply?	No, you cannot apply. Due to the nature of the scholarship, it is intended for international students who are enrolled in school and have their home base in Japan. Therefore, applicants must be in Japan as of April.
		Regarding the 2023 application, are second-year master's students scheduled to graduate in September 2023 who are considering entering a doctoral program eligible to apply?	Since the period of receipt of the grant is only six months, they are at a disadvantage in the selection process (even if the student plans to enter a doctoral program in October 2023, it will be difficult to hire the student). They want to support the students for a long time, so they will give priority to students who have received the scholarship for a long period of time.
		I am a Korean student. Can I use English for my home country address on the personal statement(身上書)? The other sections are filled in Japanese.	Yes, you may use English.
		The reason for the leave of absence was taking online classes due to the Corona disaster, but the student was absent for six months due to the curriculum and environment. Therefore, I will graduate six months later than the expected graduation date in the standard term of study. Can I still apply?	You may apply. However, if you are recommended by a university, your recommendation will be lower in the Foundation's selection process.
		Regarding the address field on the application form, I plan to move after submitting the application. Should I fill in my new address?	Please enter the address where you currently live. This must match the address on your residence card. Please note that "I will be moving in April", for example.
		May I submit an English version of my transcript?	Yes, you can submit.
		Regarding my resume, should I include information about my dropout in my education?	Yes, please fill it out on the form. If there are any gaps in your education, please fill them out in advance so that they can be verified. Please include the word "dropped out."
		Can I write my major at an overseas university in English on my resume?	Is the Foundation's application submitted in paper form?
26	小林財団(特別研究奨励金(薬学関連))/Kobayashi Foundation(pharmaceuticals)		
27	東京海上各務記念財団(ASEAN奨学生)/Tokio Marine Kagami Memorial Foundation (ASEAN Scholar)	Is the Foundation's application submitted in paper form?	Yes, it is to be submitted in paper form.
28	SGH財団(一般)/SGH Foundation Scholarship	If I cannot enter Japan by the application deadline, I cannot submit a copy of my resident card. Can I submit it after my entry into Japan?	If you do not expect to receive your residence card in time by the Foundation's deadline, please write in the margin, "Residence card will arrive around October.", for example.

Scholarship No.	Name of Scholarship	Question	Answer
		Unfortunately, I am unable to submit a transcript of my post-enrollment coursework. Can I submit a copy of my transcripts from my previous university?	For transcripts from your home country, you may submit photocopies instead of originals. Please submit an English or Japanese translation together. Photocopies of the translation are acceptable. (It is best if the translation is an official translation, not a student translation.)
		Do I have to have my supervisor at my home university fill out the letter of recommendation for my supervisor? Or is it to be filled out by my future supervisor after I enter the Kyushu University?	A letter of recommendation from your supervisor should be completed by your supervisor at the Kyushu University.
29	SGH財団(特定)/SGH Foundation Scholarship (Doctor)	I enrolled in the doctoral program (medicine) in April 2019, took a two-year leave of absence from April 2020 to March 2022, returned to Kyushu University in April 2022, and will be a 3rd year in my academic year as of April 2023. (However, since the University advances students even when they are on a leave of absence, the academic year will be four years if the minimum term of study is exceeded.) In this case, can I apply?	If you are in the third year of a doctoral program in April 2023, you can apply this scholarship if you are sure that you are aware that you are scheduled to complete your doctoral program in March 2025. (The Foundation will support the last two years of the program until graduation/completion.)
30	三菱商事留学生奨学金 /MITSUBISHI Corporation International Scholarship	In case of 1st year doctoral students: Would a transcript of the most recently completed course be sufficient? Also, I understand that a transcript of the most recently completed course of study and a research report with the seal of the instructor in charge at the current graduate school are required as "academic transcripts" when passing the on-campus selection process, is it correct that this research report is not required when applying for the on-campus selection?	As for 1st year-doctoral students' transcripts, it is about "academic transcripts of the previous year's coursework". If the previous year was your master's program at the Kyushu University, that is your transcript for the two years of your master's program at the University. If you graduated from another university in the previous year, a transcript from the university from which you graduated. A research report is not required for the on-campus selection process.
		Do you have English versions of the "GPA Statement" and "Career Progress Report"?	There is no English version of the "GPA Statement" and the "Academic Progress Report". English text is also acceptable for students to fill out. If you have any questions about the information on the form, please contact the International Student Exchange Division.
		A September graduate is scheduled to return to my home country after working at the Kyushu University for about two months. In this case, do I need to fill in the information about my work at the University and also information about my return home?	Please fill out the Career Status Form with information about your work at Kyushu University and contact us through the Foundation website with your new address and place of work after you return home. However, if you have already decided to return to your home country, please provide as much information as you can after your return. (You may use two lines to fill out a one-line box.)
		As of April 2023, I am in my third year of a doctoral program, but due to the delay in my arrival due to the COVID-19, March 2024 graduation may be postponed. How should I fill in the "expected date of graduation/completion" on the application form?	Please enter March 2024, which is your current projected graduation date.
		I am a Korean nationality and was on leave of absence due to military service for two years. I am currently a fourth year undergraduate student, will the period of absence due to military service be treated as special and will I meet the eligibility requirements?	Yes, you meet the eligibility requirements. When applying, please submit an additional "Statement of Reasons for Grade" in addition to the regular application materials. In the Statement; <ul style="list-style-type: none"> <li>・ The fact that the grade in which the student is enrolled differs from the grade based on the content of the course.</li> <li>・ Reasons for the above</li> <li>・ Expected graduation date</li> </ul> Please provide a brief description like above. e format of the statement of reasons is optional.

Scholarship No.	Name of Scholarship	Question	Answer
		To fill out the application in English, it says it applies to those enrolled in an English language program. At the Interdisciplinary Graduate School of Engineering Sciences(IGSES), students can take courses and earn a degree in English, not in a program. Therefore, isn't it possible to fill out the application in English in English?	Yes, application forms can be completed in English.
31	ヒロセ財団/HIROSE Foundation	The application qualifications include "those who have JLPT N1." Is it necessary to submit a certificate to the Foundation?	It is not necessary to submit the JLPT-N1 transcript to the Foundation. However, please submit a copy of your JLPT-N1 transcript to the International Student Exchange Division.
		My supervisor is from a foreign country, so the recommendation form is written in English. Do I need to submit a Japanese translation of the recommendation form?	Yes, please also submit a Japanese translation of the recommendation form.
		I am a first year student in the Graduate School of Systems Life Sciences with an integrated doctoral program. I plan to drop out once after completing the second year, find a job, and then re-enroll in the third year. How should I fill out my resume and personal statement?	On the "Resume," please enter the year and month of matriculation and graduation as usual. Example: April 2022 - March 2027 Graduate School of Systems Life Sciences, Kyushu University, Department of Systems Life Sciences, 5 years. Please enter your future plans after graduation in the "Desired Future Course of Study" section of the attached "Personal History" form.
32	興南アジア国際奨学財団奨学金 /Konan Asia International Scholarship Foundation	Are students with dual citizenship of Japanese and Asian countries eligible to apply?	No. Japanese nationals are not eligible to apply.
		Can international students who have not yet come to Japan apply?	No, the application is not available in that case.
		Can students studying at a university other than their assigned University apply?	Students studying at universities other than the designated University are not eligible to apply.
		Are students graduating in September of the hiring year eligible to apply?	No, the application is not available in that case. Students who plan to enter the Kyushu University in October of the hiring year are also not eligible to apply.
		Regarding tuition on the personal statement, do I write the actual amount owed or what I am applying for?	Please enter the actual amount owed (please write the most recent actual amount)
		If I prepared the attached entry form in a word processor, how should I submit it?	Please submit a blank, attached sheet of paper (with your name written on it.) and a word-processing form.
		I understand that the "Purpose of Study in Japan" and "Desired Future Course of Study" fields on the application form are to be filled in on the attached form. Can these fields at the bottom of the application form be left blank?	You may leave it blank. You may want to write "See Attachment".
"Notes on Completing Application Forms" is available from the Foundation(in Japanese).			
33	アシユラン国際奨学財団 (春募集) /ASSURAN International Scholarship Foundation (Spring Application)	Who should I enter as my "guarantor in Japan" on the personal statement?	Please indicate your supervisor or faculty member in charge. (A guarantor is a person who can prove that the international student is enrolled at the University and is not a guarantor of financial matter, etc.)
		I am studying abroad at the time of submitting the Foundation's application documents and cannot submit a copy of my credentials(such as certificate of language proficiency). What should I do?	Please submit a printout of the screenshot of credentials and send us the credentials after you enter the country separately.

Scholarship No.	Name of Scholarship	Question	Answer
34	吉本章治奨学会奨学金 /YOSHIMOTO SHOJI Scholarship Foundation	I will enter the master's program in April of the year of employment. I am currently residing in Japan on a Dependent(Family) Visa, but plan to switch to a resident status of "Student" in April. Can I apply?	Applicants are eligible if they are scheduled to start in April of the hiring year.
		If I am a research student at the time of application and will enter a doctoral program in April of the year of employment, which transcripts should I submit?	Please submit your transcripts from the course(s) you were enrolled in prior to becoming a research student.
		I am a research student enrolling in April who has not entered Japan yet. In the application guidelines, it states that applicants must reside in Fukuoka Prefecture. Can I apply?	A copy of your residence card is required in the application form, so the address where you will live in the dormitory must be clearly indicated as the address on your residence card. Applicants must be able to submit a copy of such residence card by the deadline for submitting application documents to the International Exchange Division.
		I am a doctoral student who has been retained in a doctoral program without passing my thesis, can I still apply?	You are not eligible to apply. The application guidelines state that the benefit period is "the period until the completion of the regular minimum period of study," and this period has been exceeded.
		Do I have to list military service in my employment history on the application?	Yes, please fill in. You should fill out this form because you are on leave of absence due to military service (so that the can understand why you are enrolled for a longer period of time). Please fill in the period of military service, where you belonged to, and brief details.
		Is the word count for the research proposal the number of words in the main text? Or is it the number of words including references?	If there are references, please write "body word count: ____ words"; if there are no references, please write "word count: ____ words".
35	JEES・三井不動産奨学金 /JEES・MITSUI Fudosan Scholarship	The school/department I belong to may change after submitting documents to the Foundation. What should I do?	As soon as where you will belong to is decided, please contact the Internathinal Student Exchange Division. If there is a change of school/department before the decision notice of scholarship selection is mailed, the decision notice will be sent with the new school/department information. If there is a change of school/department after the decision notice is mailed, the Foundation will mail another acceptance notice again.
		For students transferring to the third year of undergraduate study, how should the name of the supervisor be entered on the application form for the on-campus selectoin? (Undergraduates are not assigned a faculty advisor until the second semester of their junior year. Incidentally, if input is required, it seems to be formally the department chair, but not the actual host faculty member.)	Please fill in the form with the department chairperson and write in the space provided that you will only have a supervisor from the second semester of the third year.
		I am a student who is scheduled to study abroad (outside Japan) during the scholarship period, can I apply?	If you are studying abroad and are not absent from school for an extended period of time or on a leave of absence, you will continue to receive the scholarship and may apply for the scholarship. (For your reference)
		Are students of School of Interdisciplinary Science and Innovation at Kyushu University able to apply?	Yes, the application is possible.
