

Toward Bilingualization at Kyushu University

Faculty Development session presented by
Strategic International Advisory Group (SIAG)

Lang.
EN & JP

Zoom
Meeting

Significant progress has been made at Kyushu University with respect to bilingual (Japanese-English) communication in various ways, powered by automatic translation tools (e.g., DeepL). However, the progress is uneven and unsystematic across the University.

In this FD we would like to discuss the feasibility of various initiatives, and how individual teachers and administrators can contribute to improving the bilingual environment at Kyushu University.

Coordinator

Prof. Johan Lauwereyns
Faculty of Arts and Science

Date

Wednesday,
13th Nov

12:10 - 12:50

* Streaming starts at 12:05
