

# APRU Virtual Student Exchange Program

## 2024-2025 Season 2 (Regular-term Courses)

### Application Now Open!

***Top-tier universities around the world welcome you online! With international students, acquire globally relevant language skills and expertise!***

The Association of Pacific Rim Universities (APRU) runs an online exchange program called “Virtual Student Exchange (VSE) Program”. VSE academic courses in a range of disciplines offered by APRU member universities are free of charge, open to all APRU member university students, including Kyushu University. APRU is now calling for applications for Season 2. In this season, in addition to Academic Courses, Language Courses has become available, which would be beneficial for those aspiring to improve language skills. We look forward to your applications!

#### **Eligibility**

- 1) Undergraduate students enrolled full-time at Kyushu University.
- 2) Meet all academic requirements set by each course offering university.

#### **Schedule for Season 2**

Regular courses starting from January to June, 2025.

**Credits** Can be granted (but, be noted about some exceptions) need to check in with your supervisor and department

#### **Cost**

In principle, free of charge. Fees for Language Courses depend on the courses/university. However, a material fee or other related costs may apply depending on the course.
