KYUSHU UNIVERSITY

International Clubs Guide

Enjoy your campus life!!!

Through this guide book, the Student Committee for the internationalization of Kyushu University (SCIKyU) would like to open up opportunities for you to join the international student clubs that exist in Kyushu university. Please take a look at this guide book to spark up your campus life!

九州大学
KYUSHU UNIVERSITY

INTRODUCTION

Imagine a campus life without extra-curricular activities.

That would be boring, right? This is why outstanding universities in the world often have competent clubs simultaneous to their high-quality academic programs.

By joining a club or circle, you can make new friends, learn new skills, upgrade previous skills, get new opportunities and most important of all, just relax! You will also learn to manage yourself in ways you have never thought of before.

NO.4

TANDEM LEARNING PROGRAM

Activity Details

In the Tandem Learning Program, two people with different native languages are paired up and each person teaches the other his/her native language or a language close to it. The goal is not only to learn the language but also to exchange cultures and ideas with each other through the program!

Events

<Regular activities>

- Recruitment of participants (1st.April, May 2nd.October, November)
- Notifying selected participants、Orientation (1st.May 2nd.November)
- Program starts! Regular activities with pairs. (After Orientation)

<Irregular activities (about once or twice)>

- Exchange between Japanese and International Students
- Welcome Party
- Halloween Party
- Online exchange with other groups (KUFSA)、Universities (JSS・NUS)

For the past two years, we have meticulously conducted our pair activities and irregular events online or in person.

However, from now on, while being vigilant of COVID-19, we plan to conduct more in-person events.

Location

Kyushu University、
Zoom

How Often?

- It varies from pair to pair but activities are usually held once or twice a week. The date, time, and regularity are determined according to the participant's schedules.
- Unscheduled events are held once or twice a month. Registration is required for participation but non registered participants are also welcomed.

TANDEM LEARNING PROGRAM

Japanese Needed?

No! Let's enjoy a cultural exchange as you pair up and teach your native language or any other languages you can speak each other 🎵

HAPPY HALLOWEEN

How to Join?

Application period is twice a year (April and October). Please check out our Tandem home page, Instagram, and Twitter for the application forms and follow the instructions to sign up!

How Many Foreign Students?

Half of the participants in this program are international students. There are also many Japanese students who are excited to learn a foreign language or teach Japanese! Come join us and have fun learning Japanese! 😊😊

Message

Hi everyone, we are Tandem Learning Program! :)
By having a language pair, you have an opportunity to learn a language of your own choice in a completely autonomous and flexible way. There are also upcoming events where you can make friends with us and many fun opportunities to experience cultures from around the world. If you are interested in our program, please submit the application forms on April and October. We hope that by participating in our wonderful program, you will have an amazing cultural and linguistic exchange.
